News re SENDCO

Dear Parents/Carers,

We have faced substantial challenges with recruiting a substantive Special Educational Needs Coordinator in recent months.

From January: A new SENDCo - Emma Bushell - is starting January as permanent SENDCo. Will Kittow will also continue as part time SENDCo for us, with the main responsibility of supporting with the B-Hive.

In the meantime, Victoria Benn from a teaching supply agency has been acting as interim SENDCo. This arrangement has now come to an end.

For the rest of this term, Will Kittow will be supported by Heather Slater - Trust and Vulnerable Pupils Lead for the First Federation Trust.

Thank you for your patience and understanding while we manage this difficult situation. I know that several of our families have had delayed correspondence or even meetings postponed at short notice. We are working hard to rectify this as soon as possible in the best way we can. If you are expecting a meeting or correspondence from SENDCo, please can you let us know by emailing the office - then we can make sure the right information is passed onto relevant staff.
