

Friday 22nd May

Reading for pleasure - Recommend a book to a friend!

Enjoy reading your current book.

Once you have read for fifteen minutes...

- *contact a Y5 classmate* and recommend a book to them. What have you read this term that you think they would also enjoy?*

Share the title of the book, the author and three reasons why you are recommending it. Remember not to give away the whole plot!

**If you do not have their contact details, send a Dojo message to your teacher and they will make sure your friend receives the recommendation ready for half term.*

Remember to write the date next to your work.
