Getting to Houlton School safely is just as important as being there. In the box below, draw the route you are going to take to school (whether that's walking, cycling, driving or by bus). Identify spots where there could be hazards (e.g. busy roads) and explain how you will manage them safely. If you are riding a bicycle to school, what safety checks do you need to do first?

A large, empty rectangular box with a thin purple border, intended for drawing a route to school and identifying hazards.
