RE Lesson

Why is the word 'God' so important to Christians?

For Christians the word 'God' is important: They believe he was the Creator of the universe and all that is in it, including people and animals.

You can watch the story of Creation here: [Creation \(Genesis 1-2\)](#)

Here are a few activities ideas you may want to try:

- Have a go at creating animals or pictures of animals from different materials. You could just recycling, fabric, play dough, different types of food or even jelly!
 - Act out the creation story using toys or pictures.
- Can you re-tell the story using your own made up hand signals to help?

Year 1 Children: Take a look on the year 1 page for your RE activity.

Thank you so much for all your continued support and hard work.
Remember to please get in contact with us if you have anything you need to discuss.
