PSHE Lesson- Setting a goal

During our zoom session on Monday, we talked about setting ourselves a small challenge. We looked at our learning animal 'Tommy Tortoise' and how it is important to 'never give up' and to 'keep on trying' in order to achieve our goal.

With your grown up, think about something you would like to get better at. Maybe you would like to ride your bike without stabilisers? Or you might want to learn to recognise all numbers from 10-20?

Set yourself a small goal that you can work on with your grown up and please upload your goal to Tapestry. When you achieve this goal please let us know.

Remember to be like 'Tommy tortoise' and 'keep on trying.' You can do it!

Thank you so much for all your continued support and hard work.
Remember to please get in contact with us if you have anything you need to
discuss.
