PE - This term, children will learn all about jumping, rolling and balancing.

Today we will be practising the jumps we were focussing on last week.

Try this game...

Play some party music and encourage your child to jump around the space using one of the jumps we focussed on last week (star jump, tuck jump, half-turn jump, straight jump, leap, hop, bunny hop, frog jump) when the music stops the children should freeze and balance. Have a look at the balances poster on our website for some top tips. When the music starts again the children should use a different jump.

Thank you so much for all your continued support and hard work.

Remember to please get in contact with us if you have anything you need to discuss.
