

Wednesday 3<sup>rd</sup> March

Mr Dyer's Assembly

**Maths:** Practise those equivalent fractions! Work through the sheet on the website. Can you record the equivalent fraction shown in the second circle/whole (as we did before) What have you multiplied the numerator and denominator by to make the 2<sup>nd</sup> fraction? Can you then add in this 'factor' - write in under each question what you multiplied the numerator and denominator by?

e.g.

$$\frac{1}{3} = \frac{2}{6}$$

**Book Week live link!** 10.00 with Tom Knight and Michelle Robinson

Please watch this to help you register!!

<https://www.loom.com/share/a74c7124f4a04f9e9804d3e4acc2f18c> Join the link for an interview with the author and illustrator Tom Knight - hopefully the wait won't be as long as it was for Liz Pichon !!

**English:** Please watch first :

<https://www.loom.com/share/e7cf26c9f3554becb88df7e52dc3e345>

**Reading comprehension:** Hansel and Gretel Comprehension on website. (answers on final page.)

**History:** Please continue to work on your factsheet about 'Sailing in Tudor times' / 'A voyage with Sir Walter Raleigh'. Can you edit/write-it-up, add pictures or diagrams? Perhaps you could draw a picture of a ship similar to the one Raleigh travelled on?

If you have already completed your factsheet can you find out about another famous Tudor explorer - Sir Francis Drake?

**Mrs G Challenge:** Find out 2 similarities between Raleigh and Drake? 2 facts that are true about both these explorers!

**PE** Circuit Drill Workouts from Mrs C!
