

Monday 1st March

Welcome to our FINAL WEEK OF VIRTUAL LEARNING!!

We just want to thank you for bearing with us and for your support during the last few weeks. We are VERY excited to be welcoming back our children on the 8th and for children to spend time with their friends in person, rather than over a screen! Please continue to send in work with an asterisk next to it, and we will see you on Zoom on Tuesday and Thursday!

***English** : I would like children to sequence the story of The Gruffalo (worksheet on website). If you are unable to print, please ask your child to draw the pictures in the correct order. Next to each picture, I would like your child to write a sentence to describe what is happening. Remember to include Time Connectives (First, Next, Then, After that, Finally).

Phonics - can you solve the clues to complete the 'wh' words in the puzzle? (see website)

Reading comprehension : Staying Healthy comprehension on website.

P.E In PE this week the whole school are going to be taking part in an activity from Dartmoor Sports partnership. (see website) On the sheet there is a YouTube link that you can use to show your children how to do each activity (you'll need a little bit of equipment but not much - and you don't have to do all of the activities if you don't want to!).

(It's also on the website at the [whole school challenges](#) sections)

Please have-a-go at the challenges and dojo/ email us when your child has - by Thursday please! Don't worry about counting up any scores, we're just going to reward everyone who takes part.

Check out the following web link for free *World book day activities* from Scholastic. You can register as parents and then need to register for each event - they show suggested ages but you can watch any! We will probably do the **10.00 drawing sessions** - but the Friday 4.00 with Michael Rosen is bound to be a good session too!

Our week of FREE World Book Day reading events begins on Monday!

Celebrate World Book Day with a whole week of free reading events! Every day from 1st–5th March, you're invited to **join your favourite authors and illustrators** for **drawalongs** **writing workshops** and **book clubs**.

If you've not reserved a place for your class yet, there's still time! Simply visit our website, select the events of your choice and click to register. Once you've been directed to the Crowdcast website, enter the password **clubsandfairs** along with your email address. You will need to do this for each event you'll be attending.

Please remember, only one user should be logged into your Crowdcast account at any one time. If you're sharing the events with pupils at home, we recommend either asking them to register themselves or sharing your screen over Zoom or Microsoft Teams.
