

Friday 15th Jan

Maths: It's time to recap and practise the maths skills covered this week using 2 digit numbers.

Firstly, have-a-go at the subtraction word problems. Choose sheet 1 or 2 depending on how confident your child is (sheet 1: no exchanging of tens, sheet 2: larger numbers and exchange)

There are also some calculation sheets with number lines to complete or copy.

With either of the above activities please encourage your child to show their workings -practically using their tens and ones, by recording using partitioning/ bar model/ number lines ...the more ways the better!

If you have access to a printer there is also a snakes and ladders and matching game that you can make and play.

Phonics Suffix -ed

First look at What is a Suffix?

<https://www.bbc.co.uk/bitesize/topics/z8mxrwx/articles/zwgbcw#:~:text=A%20suffix%20is%20a%20letter,and%20changes%20the%20word's%20meaning.>

https://www.youtube.com/watch?v=jxl28KQOHy4&list=RDQMNIMcOihtoHM&start_radio=1

Open the document titled 'add - ed 1' on the home learning page and complete in books.

Can you think of some examples of your own?
