

Year 2 Home Learning Daily Notes **Week 6 : 08.02.21**

So here we are at Week 6 and countdown to a very well deserved half term for all you fab home learners and parent/carer teachers. You have all done so well and the Year 2 team are super-proud of you!

This week we have Safer Internet Day on Tuesday, live with the animals at Bicton College on Thursday and 'Dress-to-Express' Day on Friday.

If (like me) you are finding juggling children's home learning, work, family emotions and the general pants that is Covid-ness tough - please drop in to our virtual coffee morning on Tuesday at 10.00. Mrs Batten and Mrs Piper will be online with a cuppa and ready for a chat and to offer help and support. OK - last week - here we go!

Monday 8th Feb

Mr Dyer's assembly - website

Maths Division You will need some counting bits today - counters, lego, beads

<https://www.loom.com/share/f143e1890d8049fda3bf3b683e54a69d>
