Today we will evaluate our boats to look at what went well and what we would do differently next time. This will be an Independent writing activity for children to complete by themselves please.

Please write the headings below into your books and underline them with a ruler. Write your answers in full sentences.

What was I asked to do?

How did I create my boat?

What went well?

What was tricky?

Did my boat float? Why?

What would I do differently next time?
