

Year 2 Home Learning Week 3 : 18-22.01.21

Hello and good morning to you fabulous bunch! Can you believe we are now in WEEK 3!! Doesn't time fly when you are having fun! (We will move swiftly on before you have time to consider that in any detail!)

This week we will be offering a daily Zoom drop-in for any questions you may have relating to the learning. These drop-ins are not mandatory and are for only if you need some clarification on a particular lesson. We are trying our hardest to make home learning as smooth as possible, and hope this will support you further. These will not take place on Tuesdays or Thursdays, as you will have chance to ask any questions during our usual Zoom slots. Have a great week and we look forward to receiving your child's work when you are able to send it.

Monday 18th Jan

Maths: This week we are starting a unit on multiplication! Today's lesson is rather heavy on slides and me chatting - sorry!

I did make the promised extra subtraction video on Friday but failed miserably in my attempts to upload it to our Brixington YouTube site. It will be sorted by a far 'tech-ier' bod than myself today, so look out for it on the home learning page!
