

Monday 1st Feb

Hello Year 2 team!! Welcome to another week of home learning. You have impressed us so much with all your hard work at home and we know you're going to 'nail it' again this week! Make sure you break up your learning with plenty of exercise and fun. Get out and splash in the rain or do a bit of dancing around the kitchen with your grown-ups - most importantly keep smiling and laughing - it makes us all feel better!

Mr Dyer's Monday Assembly - see website

Maths * - Multiplication - multiply by 5!

<https://www.loom.com/share/1bac7f2565914de6bcbd7b68fe75dcac>

Song: <https://www.youtube.com/watch?v=LZAqhF2vvs>

Task: x5 question sheet on website

English - Today's English will recap some of the grammar and vocab features covered over the past few weeks before we start our new unit of work. See website

Phonics: Phonics Play <https://www.phonicsplay.co.uk/>

Log in free with username: Jan21 password home Go to 'Resources' Phase 5

Play: 1 Flash cards Speed Trial (select '5a' or 'all') id graphemes/say sounds

2 Tricky word trucks -select Phase 5-'All HFW] (high frequency words)

Phonics Bloom

<https://www.phonicsbloom.com/uk/game/suffix-factory-set-1?phase=6>

3 Practise following the rules to adding suffixes 'ed' 'er' or 'ful'. At the top of the screen is a rule for adding that suffix. If the rule is used for the word you see, click the tick on the right side of the rule. If it is not correct click the cross on the left. The box will then move along the belt and onto a waiting lorry. If you are wrong the lorry will drop the box. If you are right the lorry will take the box away!

Reading comprehension : Charlie and the chocolate factory

Just to clarify, your child needs to complete only one out of the three reading comprehensions set. We would suggest those on Red/Yellow/Blue book bands attempt the first reading comp. Those on Green/Orange/Turquoise attempt the second. Those on other book bands can attempt the final reading comp. This is just a suggestion, if you feel your child is able to complete the next one then please do so!

Today there are 3 differentiated pieces of text and questions from 1 - 3 chillies!

or

how spicy can they get??

Science * What do living things need from their habitats?

<https://www.loom.com/share/97dc4513e8fa449299469250bcef8846>

Don't forget to explore the word for the day!!
