

# Wednesday 2.2.22

Good morning!

Today's learning will be.....

**English-** L.O. To use high level vocabulary within sentences.

We have now planned our story and we are going to look at things we can include in our writing. IN stories it is important that we use a range of vocabulary to 'paint the picture' for the reader. I have put the slides from class into a PDF document. Work through them and complete the activity at the end.

**Reading-** please use the PowerPoint day 3. Today we are going to summarise the text 'Pickles saves the day'

**Maths-** Have a go at the Fluency questions and the Back to Basics (10 mins)

Then click on the link below and watch the 'equivalent FDP' video. Once you have completed the video have a go at the questions on the website.

**Word of the day-** wane

Define the word, put it into a sentence, find synonyms and antonyms

**Music-** last week you thought about sounds around Exmouth and you described the sounds. This week we are going to try to make the sounds with instruments, voices and other things we can find.

**History-** L.O. To know that democracy is different from tyranny.

Following the slides in the folder and complete the thinking frame. Can you find the differences and any similarities?
