

French Home learning week 2: **Mon Monstre**

1. You could play Jacques a dit with a family member or practise saying and doing the actions yourself

" Jacques a dit touchez le nez"

Use the body parts word bank saved in the folder and www.wordhippo.com to translate english into french and press the

icon to hear the french pronunciation.

2. You could use the '**conversations in french**' file to give you an idea of how to draw a picture with speech bubbles to record a conversation using the greeting words we have learnt.

Bonjour, Comment ça va ?

ça va bien, et toi?

Comme ci comme ça, merci.

You could include 'Qui-est ce?' and 'C'est Madame Downey'

3. **Monster wanted poster-**

You need to use the '**Monster description cards**' in the file to draw a monster from one of the descriptions and then label the body parts, the colour they are and how many of them there are.

Extension activity: '**Monster cut outs**' and the '**French differentiated writing activity**' files to help you draw your own monster and label the parts
