

Turn My House Around

I can find objects in my house that turn in different ways.

We have been using mathematical vocabulary to describe movement. With the help of an adult, investigate how objects turn in your home and record your findings by circling the movement in the table below. You may need to circle more than one answer. Choose your own object to investigate by drawing the empty space.

	rotates makes a quarter turn makes a half turn makes a full turn makes a clockwise turn makes an anticlockwise turn
	rotates makes a quarter turn makes a half turn makes a full turn makes a clockwise turn makes an anticlockwise turn
	rotates makes a quarter turn makes a half turn makes a full turn makes a clockwise turn makes an anticlockwise turn
	rotates makes a quarter turn makes a half turn makes a full turn makes a clockwise turn makes an anticlockwise turn
	rotates makes a quarter turn makes a half turn makes a full turn makes a clockwise turn makes an anticlockwise turn
