

Year 3
Wednesday 12.1.22

Good morning!

Sorry you can't be in school with us today. You have shown amazing endeavour, keep it up!

PE

This unit of learning is all about learning how to play Tag Rugby. After beginning the game last week, can you write a set of "do's" and "don'ts". For example last week we decided that we could only take one tag at a time.

English

Use your instructions from yesterday to add in an adverb. We want to adverb to give more precision to the instruction so think carefully about the one you choose. Remember adverbs normally come before the verb (an adjective to describe the verb) so it might be useful to find the verb first.

Maths

Today we are starting a new unit all about angles. Watch this video and see if you can identify some right angles around your house:

Reading

Read the text again from yesterday. Can you come up with some of your own questions that you would like to ask about the story. Think about likes, dislikes, patterns and things puzzle you.

Music

Listen to the song "Three little birds" by Bob Marley.

Can you find the tempo (how fast or slow the song is being played) think about the pitch (the range of high and low sounds) and the dynamics of the song (how loudly or quietly the music is being played).

Either discuss this with your grown up, or make some short notes about what you hear.

Please send completed work via email to:
