

Year 3

Thursday 10.3.22

Good morning! Sorry you can't be in school with us today. Here are your learning tasks.

English

We are beginning to look at Perfect present tense. [BBC Bitesize - Key Stage 2 English - Using Present Tense - Bing video](#) Explore the present tense using this clip. Notice the different ways this has been shown;

Is making, has been making, has made ...

Has and have followed by a past tense verb tell us it started in the past but is still true now.

Change these sentences so they become present perfect.

From a distance they **have appeared** to be rather like a small, glowing snowstorm. Their sharp, diamond like teeth **have been** used as a form of defence.

They often hid in forests camouflaged by the trees.

Dinosaurs managed to adapt to their surroundings.

Many people believed that they are no longer alive.

Amazingly, the dinosaur evolved to lay its eggs in the most unusual of places.

Maths

Refresh your memory on how to add using column addition.
