3		5		

2) Gordon has spilled milk over his calculations for the restaurant. Can you write the missing digits in correct box to complete the calculation correctly?

6

A 2x4 grid with numbers and starburst shapes. The top row contains the numbers 2, 6, and 4. The bottom row contains the numbers 2 and 4. There are starburst shapes in the top row between the 2 and 6, and between the 6 and 4. There are also starburst shapes in the bottom row between the 2 and 4, and between the 4 and the right edge of the grid.

A cartoon illustration of a chef with a beard and a white chef's hat, standing in front of a large grid background. The chef is wearing a white chef's coat and has a friendly expression. The grid is composed of many small squares, creating a patterned background.
