

**Year 3**  
**Tuesday 1.2.22**

Good morning!

Sorry you can't be in school with us today. Here are your learning tasks for today.

**Computing**

We are creating a chart in Excel using the data from a poll. If you have access to Excel, follow the Computing help sheet to create your own poll and a chart. If you do not, you could have a go at drawing out your own bar chart using the information on the computer help sheet.

**English**

Watch this video to explore speech further <https://www.bbc.co.uk/bitesize/clips/zvftsbk>

Act out part of Little Red Riding Hood where Little Red Riding Hood sees Grandma. You could role play this with someone at home or a teddy. Now, have a go at writing down some of the speech punctuating it correctly.

**Maths**

Use TTRS for 15 minutes to improve your tables knowledge. If you can't get onto TTRS, you could play throw and catch calling out your three times tables.

Join us for maths using this link : (Please make sure you use your name to enter Zoom so we know who is in the waiting room)
