Hello!

Sorry you can't be with us in school today. We hope you aren't feeling too poorly, or bored with isolation! Here is our plan for the day.

Time	Subject	Lesson, activities and resources
		We had a few problems with Zoom yesterday so I'm sending you an outline of your activities instead today. Hopeful we will be back Zooming tomorrow!
9.00	English	LO: To edit writing Use the attached checklist to self assess your writing from yesterday. Have you been able to include all the features we have been focusing on? Do you need to make any changes to your draft from yesterday to show all your skills?
10.00	Geography	LO: to identify human features of France Can you remember what a physical feature is? We have been looking at these for the past few weeks (rivers, mountains, coastline). Today we are thinking about Human Features (put there by people). What are the 5 biggest cities in France? - research and create a factfile / top trumps style card for each city e.g name: population: location: (coast, mountains, etc) River? etc
10.45am	Playtime	Make sure you have a break too!
11am	Maths	Watch this lesson and work through the activities https://teachers.thenational.academy/lessons/linking-place-value-and-multiplication-c4vpct?from_query=multiplying+by+100 Pencil and paper
12noon	Reading	LO: To retrieve information from a text Answer the retrieval questions. Think carefully about how you can quickly find the answers. Do you need to read every word or can you skim for key words from the question? There is a copy of the extract we will be using saved on the school website.
12.30pm	Lunchtime	Have something tasty!
1.30pm	Art	We will be continuing with our painting in the style of Matisse in the classroom. It is probably not possible for you to complete this at home, so instead I have found you a lesson all about collage. Henri Matisse produced some amazing collage work so I hope you enjoy exploring it too! https://teachers.thenational.academy/lessons/introduction-to-collage-and-experimentation-with-paper-cgvpcd
2.40pm	Church Assembly	Click here to join the assembly www.tinyurl.com/brixchurhassembly

If you have any difficulties logging on or accessing the activities, ask your grown up to send me a message via DOJO – and I will get back to you as quickly as possible.
