You should find the 'Stop!' unit is on the screen when you log in. We are working on Step 6. In class, we will be continuing to focus on our own lyrics for the verses. Practise rapping using the backing track.
2.15pm	Computing Join us via Zoom for this lesson	Same Zoom link as above Access to a computer, tablet or phone that will run 'Scratch' https://scratch.mit.edu/ You might need to Zoom with us for the introduction, then leave the zoom / turn off your camera while you work on Scratch.

During lessons on Zoom – if you have any questions, just make sure your camera is on and give me a wave, or unmute and give me a shout!

If you have any difficulties logging on or accessing the activities, ask your grown up to send me a message via DOJO – and I will get back to you as quickly as possible.
