Maths (15 minutes) Times table or number bonds practice. TTRS, Hit the button, 99Club

Maths lesson (40 minutes)

In maths today, we would like you to tackle the problems in our year 3 folder. You will need all the skills you have learnt so far to solve the questions. Don't forget to use the place value counters you have made to help you. Start on the main sheet. There is a challenge sheet for those that want to test themselves as well as a two-digit problem sheet if you aren't feeling as confident.

English (45 minutes)

Reading (20 minutes)

Please find somewhere unusual to do your pleasure reading today. We'd love to see a picture of where you chose to read your favourite book, magazine, comic, newspaper, picture book, poems.....

P.E. (30-40minutes)

Gymnastics

We would like you to research and find out about these types of equipment used in school and what they are used for and then create a poster to show your understanding:

- Mats
- Balance beams (benches)
- Vaulting boxes
- PE climbing frames

What would be similar equipment around your home that you've researched. For example, instead of using a bench you could use a low wall in your back garden to practice your balancing.

After you've made your poster make sure you get your heart rate up too and follow this link:
