

Re-read your opening scene
This is where your acting begins.
My characters-
Builder Bob
Detective Dave
Von Marsh (The foe)

The main characters are sat together.
Main character says something comforting.

Things sure have a way of working out smoothly.
Am I right guys?

They look up into the sky and see...

The characters make a noise.

WoooooooAAAAAA

The **foe** arrives and greets the other characters.

We are from the planet Duplon. We are here to destroy you.

One character talks to the foe.

You're going to have to get through us before you destroy this town.

Main character turns to look at his friends.

Wait guys. There is no need to fight any more. I got this.

The foe begins to talk to the other characters.

Here we go. Hello visitors from another planet. You are just as special as we are. See Friends.

The other characters join in and say kind words.

Even though we are different, if we open our hearts everything can be aw....

The foe is unkind.

More, more more!
More, more, more, more...

One of the characters uses their special skill.

Attack.

The foe reacts.

Aaaaaaaaaagggggghhhhhhhhhhhhhhhhh

Things start happening in the city.

The main characters turn and run.

Run!
