

Year 3 – 26.01.21

Tuesday

Good morning year 3.

Your Welcome to the week and timetable of the day:

<https://www.loom.com/share/6ccd6d732435424da0804e70bb3132b1>

Assembly - <https://www.brixington.devon.sch.uk/assemblies-and-whole-school-challenges/>

Class Zoom at 11am today!

Maths (15 minutes) Times table or number bonds practice. TTRS, Hit the button, 99Club

Maths lesson (45 minutes)

Today we are counting in groups of 5,50,500.

Here is the Loom link for maths:

<https://www.loom.com/share/40fb28644a6a4823977255a8440a609b>

If the children feel confident in the first section of the video skip on to the problem solving/ reasoning/investigation problems.

If the children aren't feeling so confident please just get them to practice, practice, practice their counting in 5s.

There is a point in the lesson where you can pause and just have a go at the sheets on the website.

English (30 minutes)

Please watch this BBC bitesize clip about creating a character:

<https://www.bbc.co.uk/bitesize/articles/zcbvp4j>

Then follow this Loom link to find out what your task is for the

day. <https://www.loom.com/share/ddaf848aab5046a58a63515629d6dc1f>

Spelling

Please have a look at these words: **accept, except, ball, bawl**. Can you find what they mean and draw a picture for each word. Have you got an awesome way of remember which way round the words and their meanings are? Could you put them into a typography picture? Act them out. Find creative ways

Handwriting (5 minutes)

<https://www.loom.com/share/b7e667892f304cda88555b171de611b1> -handwriting with a difference today! Put your pencils down and pick up your finger and creativity 😊

Science (40 minutes)

We now know about the 3 rock types. We begin our journey further into sedimentary and look closely at how fossils are formed. Use the link below to learn about the process of fossilisation.

Your task is to present the process of fossilisation. You can draw it out and label it, make a video to explain, create a PowerPoint, make each stage using models...

<https://www.bbc.co.uk/bitesize/topics/z9bbkqt/articles/z2ym2p3>

You can also use this link to help you too:

[How do dinosaur fossils form? | Natural History Museum](#)

Reading (20 minutes)

Today and tomorrow we are going to finish the 'Suitcase Kid' text and today's lesson is going to be based on analysing language:

<https://classroom.thenational.academy/lessons/to-analyse-language-69hk0c>

If you manage to remember 1 new key word you've done amazing 😊

PE (30 minutes)

Please watch the video talking through the rules of Tag Rugby

<https://www.youtube.com/watch?v=v7e8Y8g3sGY> We would like the children to make a fun, bright colourful poster taking information from the video.

Some children may know the rules already. If so start your poster before watching the video.

#Children could make a vlog video of themselves reading the rules, making it fun for a class to watch who might not know anything about tag rugby. Make it as fun as you would like too!

We love seeing all your hard work. If you have any other work you would like to share, please send it via email to:

3b@brixington.devon.sch.uk 3r@brixington.devon.sch.uk

We may not always reply but we do love seeing it!

Miss Brown, Mrs Rickword, Mrs Balcer, Mrs Boore and Miss Shelton
