Reading (20 minutes)

We love hearing about all the books you are reading. Today, please spend 10 minutes reading your book, then produce a mini poster to tell us about the book. If you haven't read very much you could make some predictions. Include the title, the characters and tell us if you think it is a good book or not and why.

Computing (30 minutes)

Today, we will be using PowerPoint. If you are unable to access PowerPoint please still watch the loom video but pick out your favourite function.
