**Maths lesson (60 minutes)**

Times table or number bonds practice: TTRS, Hit the button, 99Club or solve this problem:

Instructions for maths today:

Today's lesson is a rehearsal skills lesson using the adjusting strategy. We need you to feel confident using this strategy before we move on. In today's lesson please complete the worksheet (you must do AT LEAST 4 questions to be successful). If you're feeling good about this work, then go on to the # for today.

Anita is solving these magic squares.

Each column and row adds to a multiple of 3.

**English (45 minutes)**

Before beginning our sessions today. Take a look around the house and find as many sets of instructions as you can. Who will find the most interesting place where instructions can be found?

Once you have done that watch this loom. You may want to have 'How to wash woolly mammoth' handy for this session just to remind yourself of the events.
