PE (30 minutes)

To practice throwing and catching the ball safely and accurately. Learn the basics for passing a rugby ball with this video: <https://www.youtube.com/watch?v=4WaBgY1POKw> (of course if you don't have a rugby ball then using and practicing these throwing techniques with a football is fine!)

Don't forget to warm up with a good go noodle, HIT session of a run around the block (get your heart racing) and then make sure you stretch those muscles too!

We love seeing all your hard work. If you have any other work you would like to share, please send it via email to:
