### P.E.

We are going to be looking at the Hakka dance this half term and learning it as a sequence. Before we begin this sequence, we really need you to be strong, fit and healthy ready to start learning it – as well as this we need your hands and feet to be working together well. Therefore, we would like you to follow Joe Wicks body coach workouts for the next few weeks to improve those hearts and lungs and make us stronger, fitter and healthier. Please follow this link to Joe Wicks workout:
