

*What does light do and why do we need it?*

---

---

---

---

---

---

---

---

---

---

*What reflects light?*

---

---

---

*How can you make a shadow bigger or smaller?*

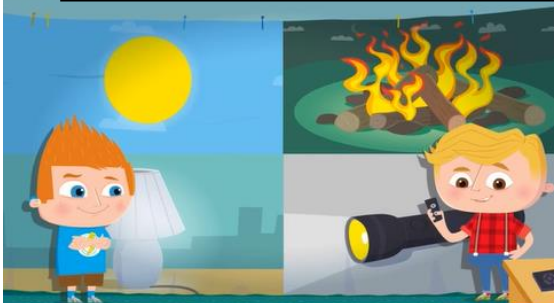

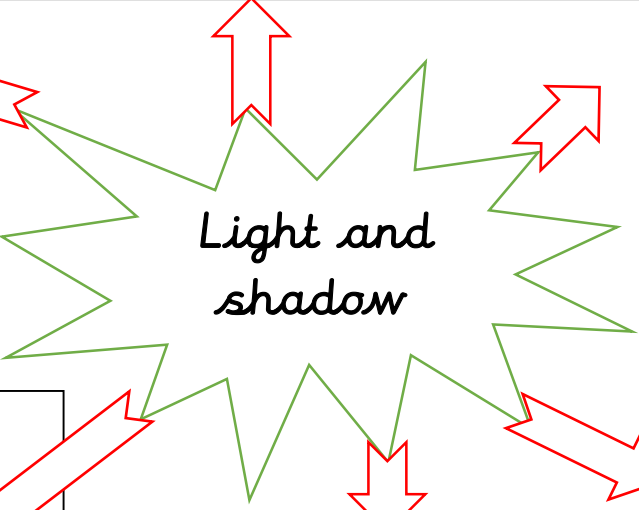

---

---

---

---

---

*Draw and label a picture to show how a shadow is formed.*

*What can we do to protect our eyes?*

---

---

---

---

---

---

*What would you like to find out about light and shadows? Think scientifically!*
