Maths lesson (60 minutes)

Thank you to all parents who have given feedback as to how your children have been getting on with the adjusting method this has been really helpful.

We are going to be doing a 2 part maths lesson today so chose from either option 1 or option 2 (please do NOT do both)

1. Continue to practice the adjusting method and answer the questions on the sheet from the website (please do this if you do not feel very confident)
2. If you feel confident with the adjusting strategy then please can you have a go at the maths problem which can also be found on the website. Ensure you read it carefully and answer each step of the question. You might need some adult help to read the text within the question.

English (60 minutes)

Please see the Loom video for today's session. The first task should take no more than 5 minutes. Please make a note of your thoughts ready to share in Thursday's class Zoom.

French (30 minutes)

Follow this YouTube link and learn the days of the week in French. If you feel confident with them then really practice that pronunciation. <https://www.youtube.com/watch?v=Lpwf5N0rfVE&feature=youtu.be>

Then, when you feel confident there is a word search for you to complete to test how well you can recognise each letter in the words.
