Then for a challenge there are 4 # questions to you to answer – is there only 1 answer for each question?

Reading (20 minutes)

Spend at least 10 minutes free reading today. You can read anything you like. You could share a book with someone. You could set yourself a target to read to a certain page. At the end of your day, listen to part of a story read by a member of staff using the assembly and challenges link above.

Music (30 minutes)

On Charanga, you will find the second step lined to the song 'Dragon'. If you are unable to access Charanga, please use the Loom link below and learn the first verse.
