Mrs Rickword's		Key questions	My plan
<b>Heading</b>	How to feed a dinosaur	What are your instructions about?	
<b>Introduction</b>	Large size and powerful tail make it hard to feed. Follow step-by-step Equipment Two mini paddling pools Spade Bucket Gigantic tin of Dino Jelly Extra-Large box of dry Dino Munch Tin opener	Why is your dinosaur hard to feed?  What equipment do you need? (this list can be added to at any time)	
<b>Making the food</b>	Prepare the mini paddling pools Open tin and box of food Put food and water into mini paddling pools. Use spades.	What is the food put in? How will you open the food? How is the food going to be put into the container?	
<b>Putting the food down</b>	They are excited. Dinosaur is jumping. Call dinosaur in Put food on the floor	How is your dinosaur feeling? What is your dinosaur doing to show this? Where is the food going to be put?	
<b>Eating the food</b>	Watch your dinosaur eat Re-fill the bowl with dry Dino Much Gobbles it up	What does the dinosaur do now? What are you re-filling the bowl with? What is your dinosaur do with the next food (synonym)?	
<b>Making a mess</b>	Food goes everywhere! Dino runs around licking food off things.	How does the room get messy? What does the dinosaur do in response?	
<b>Cleaning up</b>	Let them share a drink with you While he finishes the drink clean up.	How do you calm the dinosaur down? What are you doing with the mess?	
<b>Conclusion</b>	No longer hungry Time to play games.	Have you fulfilled the instructions? What could you do next?
