

# Wednesday 3<sup>rd</sup> February

Good morning Y5! Happy Wednesday

Today's learning will be.....

## **Key skills (everyday tasks)**

Practise your **times tables** – using TT-rockstar or another way if you prefer

**Read a book** for at least 20mins. If you have completed a book, you can log on to Accelerated Reader and see if there is a quiz available.

<https://ukhosted88.renlearn.co.uk/2236370>

You will need to use the username and password that you normally use in school.

Practise this week's **spellings** – conscienc**e**, existenc**e**

These are spellings from the Y5/6 spelling list that follow this rule: all of these words have a 'c' which sounds like an 's' before the e in the word. Can you think of any other words that follow this rule?

Today's word of the day is **smuggle**. What does it mean? Can you use it in a sentence?

**English-** Today we will be looking at inserting brackets to show parenthesis. Please follow the Loom link to watch the lesson.

<https://www.loom.com/share/fbf6bc49cd2b464fad432c2e17d2a980>

Choose one of the work sheets on the website and complete it. There's an answer sheet at the end to check your work (don't look at the answers before you've had a go)!

**Reading-** Today we will be asking questions that will improve our comprehension of a text.

<https://classroom.thenational.academy/lessons/to-ask-questions-when-reading-to-help-with-our-comprehension-cgup8c>

**Maths-** Please follow the link to a video for today's lesson. There is a fluency task on the website for everyone to try and then a choice of Reasoning and problem-solving (RPS) challenges. Please choose one challenge.

<https://www.loom.com/share/ad62a0fa605048cc8bc2e1711db2570b>

**Art**– Now that you have designed your masks, it's time to have a go at making them! Follow the design brief that you have made and remember everything that you have learnt about additive sculptures and the ways that you can add material onto your mask to create layers and detailed features. Remember the criteria for the different masks (the PowerPoint from last week has been uploaded again so you can refer back to it). Make note of the things that work well and things don't work quite as well (you may need to change bits of your design as you're making it) as we will need this information for next when we evaluate the work.

**PE** – Please watch the following video to learn about the rules and how to play High 5 netball. [Netball - Introduction to High 5](#)

Once you have watched the clip, it's time to get active! You can either choose to practise your netball passes and try out the footwork rules with pivoting, or have a go at taking on some PE with Joe found at this link: [PE With Joe 2021 | Monday 1st Feb](#)

### **Zoom sessions today:**

The **class zoom** session is at 1:30pm today.

The 2pm **Zoom for support with learning** will be run by Mrs Batten today. Please join if you have found any of the learning tricky and need some additional guidance.
