This is the hand
that touched the frost
that froze my tongue
and made it numb.

This is the hand
that cracked the nut
that went in my mouth
and never came out.

This is the hand
that slid round the bath
to find the soap
that wouldn't float.

This is the hand
on the hot water bottle
meant to warm my bed
that got lost instead.

This is the hand
that held the bottle
that let go of the soap
that cracked the nut
that toughed the frost.

This is the hand
that never gets lost.
