LO: to collect data for a purpose

The data we want to collect is:

Which type of online learning do you prefer?

Choose from the list below and submit your answers via our class e-mail or Dojo so we can collect everyone's data together.

- *Loom videos that I can pause and respond to.
- *Live lesson on Zoom
- *Links for videos that I listen to followed by an activity
- *Writing things down using pencil and paper
- *Filling in on an online document (MyMaths)
- *Interactive questions - TTRS, Bug club and Hit the button
- *Reading about a task then having a go.
