P.E. LO: To know the importance of stretching (60 minutes)

Watch this link for stretching and join in wherever you can. (DISCLAIMER- please only do what you can in the video and don't push the stretching too much on your muscles because you could hurt yourself!)

<https://www.youtube.com/watch?v=wK99lII1oFM>

After you have had a watch of the video and stretched your muscles out I would like you to then do something physical: play a game, go for a run, go for a walk, play in the garden (get your heart racing!) Finally, come back inside after 20 minutes of exercise and make a poster all about the importance of stretching. Why should you do it, why is it important, some example of different stretches etc.

Finally, end your week by joining Mr Dyer in his live celebration assembly -
