

MONDAY 27TH APRIL 2020

MATHS SHAPES

Task1)

Find out what a regular shape is.

Find out what an irregular shape is.

Suggested methods:

- Looking online
- Using the vocabulary sheets
- Asking someone else who knows
- Use the shapes below to help you work it out independently.

Task 2)

Display the information you have found.

Suggested methods:

- A poster
- A recording of your explanation
- A video
- PowerPoint/Publisher
- Chalk drawings outside

You will find help sheets in the year 5 folder 'MATHS VOCABULARY'
