Reading for pleasure - 'Word Swap'

Enjoy reading your current book.

Once you have read for fifteen minutes...

- choose five adjectives, verbs or adverbs from the text and 'up-level' them. Use a thesaurus at home or one online to improve the words. Ask your family members for suggestions too!  
Record your changes in your reading record.

For example:

green → jade

happy → overjoyed

went (verb) → travelled

suddenly (adverb) → instantly

still (adverb) → motionless

Remember to write the date next to your work.
