

Tuesday 5th October

Good morning!

Today's learning will be.....

English - Today, you need to make sure your own non-chronological report is written completely and then you can edit and improve any remaining paragraphs. In class, we have written our first 2 paragraphs, edited and improved them and are now repeating that process for the rest.

If you have finished all your paragraphs, you can start to think about drawing your dragon. The image is going to be the centre of your Non-Chronological report. You may want to think about labels that might go with it.

*20 minutes of Reading for Pleasure

Maths - L.O. To use column multiplication effectively

Continuing from yesterday's lesson, have a go at the SATS style questions on the website.

If you need to watch the video again about the method, here is the link.

<https://vimeo.com/458926418>

*TT Rockstars- play for 15 minutes each day.

Science - L.O To create a balanced diet

Watch the link below and complete the activity at the end. You may want to extend the diet for a week or even two. Are you going to eat 5 a day?
