

Wednesday 6th October

Good morning!

Today's learning will be.....

English - L.O. To write up your non-chronological report

In today's lesson write up all your paragraphs of your non-chronological report on plain paper. Make sure you leave enough room around the edge, as you are going to tear the paper.

Note: over the last two days you have edited and improved your work. Before you write it up in neat, make sure you check those edits one last time for spelling mistakes and any missed punctuation.

*20 minutes of Reading for Pleasure

Maths - Look through the slides about using the inverse. Answer the questions on the slides and then have a go at the word problems on the website.

If you need further support, watch the video below to help you.
