

Thursday 7th October

Good morning!

Today's learning will be.....

English - Continue to write up your paragraphs in your neatest hand writing. Once you have finished this, draw your dragon and any other images/diagrams you want to include on your non-chronological report.

Spelling - Can you find the rule and definitions for the following homophones?

Advice

Advise

Practice

Practise

Device

Devise

EXT - Can you put them into a sentence?

*20 minutes of Reading for Pleasure

Maths- L.O. To solve problems using the inverse operation

Have a go at the activities on the website

*TT Rockstars- play for 15 minutes each day.

RE - L.O. Finding the similarities and differences between the creation story and the big bang theory.

Follow the slide below and present your work in your own way. Make sure you include the similarities and differences about the two ways in which people believe the world was created.

LO: to identify the similarities and differences of the Creation Story and the Big Bang Theory.

On big paper, can you list the similarities and differences of the two theories.

Summarise each theory

Similarities	Differences
<ul style="list-style-type: none">• Both theories involve creation• Both started in darkness
