

Home Learning wb. 27th September

Focus: RE

LO: to understand the key components of the creation story

Activity 1

1. Read the Creation Story (See separate pdf)
2. Then read the Creation Rap.(below) and create a rap or poem to retell the order and events of the creation story.

Creation Rap

The universe was in darkness and gloom
When God stepped in, with a sonic boom.

On the first day, He created light,
separated darkness, making day and night.

On day two, don't ask me why,
He made the heavens and sky.

On the third day, He made the seas
vegetables, plants and all fruit trees.

On day four to brighten the night
He made the Sun and Moon and stars for light.

On day five God made a wish
opened His eyes and there were fish.

After the seas He looked at the sky
and made birds ready to fly.

On day six He made living creatures
and gave them all different features.

He even made things that crawl
that can walk on the ceiling and not fall.

He made man and woman to look like Him
it was a pity that they had to sin.

They spoilt God's Garden of perfect glory
but that, my friends, is another story.

When He finished creation it was good
Now let's treat it as we know we should!
