Title	The Manchester Ridge-back	The Exmouth Spike-Tail
Introduction	The Manchester Ridge-back is a rare form of dragon which is only seen at night.	The Exmouth Spike-Tail is a rare form of dragon, which is only seen at night.
What they look like	Ridge-backs are easy to identify as they are the smallest dragon in the British Isles. They are the size of a cat and covered in shiny scales. The adult Ridge-back is a dark green colour, which enables it to hide in trees and tall grass. However, juveniles are born with a yellowish tinge. Activity

Using your work from yesterday, work through the paragraphs and make them your own. You may want to keep some of the same structure, but change more of the features.

Write the paragraphs in your book, so we can edit and improve on Monday.
