LO: I can write a different problem

Task

1. Find the plan you created yesterday. You will need this in front of you.
2. Using the sentences from *The Game* (our model text), try out your new problem! Write it in your book.

Follow this pattern:

Start with the first strange events as a sentence of three and then show how the children react:

At that moment, the table began to shake, the windows rattled and the floor vibrated. Everyone stopped what they were doing and the room fell silent.

At that moment, ...

Next, introduce the new threat. Tell us where it came from and what it looked like:

In a blink of an eye, an enormous spider, as big as a horse, shot out of the game and landed in the centre of the crowded classroom. Everyone froze. Its enormous, hairy legs were tensed, ready to pounce and its whole body seemed to pulse. Eight bulging eyes scanned the room and then ...

In the blink of an eye, ...

3. Proofread your two paragraphs. You should have closely followed the structure of the model text. **Have you written in the past tense? Do your ideas make sense and are they punctuated accurately?**

Challenge Underline your **powerful verbs in blue** and your **exciting adjectives in green**. Can you add **some adverbs** to further describe these words?
