

21.7.21
Wednesday

We're sorry you can't be with us in school today. Below are some activities, similar to the learning we will be doing in school, for you to complete. If you have any questions, please either email the class email, the admin email or send a message via Dojo.

Times tables

Please rehearse your knowledge of the 3, 4 and 8 times tables together today. You could use TTRS or daily ten to practise your times tables. Make sure you know the division too.

Maths

[Telling the time](#)

Follow this lesson for your maths learning today: <https://www.bbc.co.uk/bitesize/articles/zcy84xs>

Reading

<https://www.youtube.com/watch?v=LVL0c6FrLi0>

Answer these questions written by year 3:

What is the little alien doing?

What is the man wearing?

What disappears at the end?

Why does the man not notice?

What colour is the space ship?

When is the story set?

English

Time to write a setting.

First, create a word bank to include lots of descriptive vocabulary about your setting. (Where tom and Jez are). This could be Woodbury Common, your back garden or the school!

Next, begin writing sentences to describe the setting. Say where they are, what it looks like and what time of day it is. What can you see, hear and touch? You may want to include how they are feeling (this is before they know about the aliens!).

[How to create a story setting - BBC Bitesize](#)

Art

[Introduction to collage and experimentation with paper \(thenational.academy\)](#)

Try collaging in different ways with different pieces of paper in different colours.

Which effect is your favourite?

Please send all completed work via email to:

3b@brixington.devon.sch.uk or

3r@brixington.devon.sch.uk

The Year 3 team.
