

13.7.21

Tuesday

If you didn't see Mr Dyers assembly yesterday, have a look today using this link:

<https://brixington-primary-academy.secure-primariesite.net/assemblies-and-whole-school-challenges/>

We're sorry you can't be with us in school today. Below are some activities, similar to the learning we will be doing in school, for you to complete. If you have any questions, please either email the class email, the admin email or send a message via Dojo.

Times tables

Please rehearse your knowledge of the 2, 5 and 10 times tables. You could use TTRS or daily ten to practise your times tables. Make sure you know the division too.

Maths lesson

[Parallel and perpendicular lines - Year 3 - P4 - Maths - Home Learning with BBC Bitesize - BBC Bitesize](#)

We will be looking at parallel and perpendicular lines. Follow this BBC lesson, then find as many parallel and perpendicular lines as you can in your home and any outdoor space.

Reading

<https://www.youtube.com/watch?v=LVL0c6FrLi0>

Today, we would like you to focus on the questioning. Write down as many questions as you can and share them with us. Use Who, What, Where, When, Why and How to begin your questions and remember to use a question mark at the end.

English

We will be looking back at the text 'Aliens' Please read through this again. Please create your own story board using the boxing up of the text. Draw six images (one for each box) then write a sentence underneath that includes a time conjunction. You can find the text and the box it up structure in the year 3 home learning folder below.

Science

In school we will be making the flowers that we designed. If you can't remember what your flower looks like, you could draw out a new one. Use bits around the house to make your flower in 3D. You could use junk to do this or draw out a detailed sketch and label all the parts. Watch this clip if you need to be reminded of all the parts: [Science KS1 / KS2: The anatomy of the flower - BBC Teach](#)

Please send all completed work via email to:

3b@brixington.devon.sch.uk or

3r@brixington.devon.sch.uk

The Year 3 team.
