

Year 1 - 22.1.21

Sorry you can't be in class with us today. Below are some activities linked to the learning we will be doing in school.

If you have any questions, or want to share some of your work, please send a dojo message or email me, using the class email.

Phonics - Today is your live phonics session via zoom. Please arrive in the waiting room 5 minutes before the scheduled time. The children will need a pencil/pen and paper ready, just in case.

Gymnastics - This half term we are developing the gymnastics skills that we acquired last half term. I appreciate this may be tricky as we don't want the children completely wrecking the house, however we have been mainly focussing on mastering balancing (two and one footed) and mastering using space well.

You could incorporate these things when you go out for your daily exercise, playing games like hide and seek together to use the space appropriately, or walking along bridges, logs, using your balance.
