Outdoors PE - This half term we are continuing our skills whilst participating in team games. We are focussing on being able to kick a stationary ball whilst keeping control of our body.

To start with today, see if you can set up a goal in your garden, or at the beach, or at the park, and see how many times you can kick the ball, **from standing**, into the goal. Try not to take a run up today, we will get to that part in a few weeks' time! We would love to see a video of how you got on!
