

Year 1 - 26.1.21

Sorry you can't be in class with us today. Below are some activities linked to the learning we will be doing in school.

If you have any questions, or want to share some of your work, please send a dojo message or email me, using the class email.

**Phonics** - Today your child will have an activity to complete based on last week's live phonics learning. Please see below which group your child belongs to and choose the correct activity provided.

Group 1: 1:30-1:45 - i and a and their alternative sounds (Phase 5b)

Group 2: 1:45-2:00 - ir and ay (Phase 5a)

Group 3: 2:00-2:15 - ir and ay (Phase 5a)

\*Please note if you can NOT print, log on to phonics play and select games incorporating phased sounds, and play tricky word trucks

**PE** - Outdoor Games

This half term we are working on mastering skills that we acquired last half term and incorporating them in team games.

Our skills to master are running and jumping. You could take part in activities in the garden or in the park where you are having races as a family, slalom races, relay races, timing each other at short sprints, lapping the garden. You could include team games with obstacles that need jumping over, or you could try two footed jumps and measuring the distance.

**PSHE** - Discuss together what it would feel like to achieve a short term goal. If we achieve our goal;  
How will that make you feel?  
How will that make everyone else feel?

Who else may be proud of our achievement?  
We came up with some great ideas in last week's circle time and tomorrow we will announce the goal that we will be working towards.

**Assembly** - Take some time at the end of the day to sit back and watch our assembly. The links to our daily assemblies can be found here:
